JUNE IS SENIORS' MONTH IN ONTARIO

2017 Theme: *Living Your Best Life*

Did you know?

- There are 900 million persons in the world over the age of 60 and in Canada, there are more persons over the age of 65 than children under the age of 15.
- Life expectancy has increased by 30 years over the past 100 years.
- Our potential for spiritual growth increases as we age.
- A new ministry is emerging in churches to support the faith development of "maturing adults" throughout the multiple transitions that mark the second half of life.
- The maturing adult (50+) population is comprised of three distinct groups: the pre-retired, the active retired and the elders – each group having specific needs.
- Dealing with issues of loss is the central psychological and spiritual task of maturing years.
- Connection – with self, others, creation and God – is our greatest asset the aging process.

How might we support each other in the aging process? How might our parish initiate and develop Ministry with Maturing Adults?

Third ShareLife Sunday

Working wonders for those who need help in our neighbourhood...

Working with St. Elizabeth HealthCare, ShareLife, through Catholic Charities, has implemented a shared services initiative that has provided support to agencies in the areas of human resources (16 agencies) and financial services (5 agencies). Now in its fourth year of activity, agencies participating in this initiative report that they are able to improve the quality, competency and accuracy of their work in these areas. Some Executive Directors reported on the impact of this initiative to their agency. "It has enhanced our agency's competence." shares one Executive Director, "Before, I was in way over my head, but trying to do my best. Now, I have expertise at my disposal and feel comfortable."

Today is ShareLife Sunday – June 4, 2017
Thank you for giving with a generous heart.
