### EXALTATION OF THE HOLY CROSS

Early in the fourth century St. Helena, mother of the Roman Emperor Constantine, went to Jerusalem in search of the holy places of Christ's life. She razed the second-century Temple of Aphrodite, which tradition held was built over the Saviour's tomb, and her son built the Basilica of the Holy Sepulchre over the tomb. During the excavation, workers found three crosses. Legend has it that the one on which Jesus died was identified when its touch healed a dying woman.

The cross immediately became an object of veneration. At a Good Friday celebration in Jerusalem toward the end of the fourth century, according to an eyewitness, the wood was taken out of its silver container and placed on a table together with the inscription Pilate ordered placed above Jesus' head: Then "all the people pass through one by one; all of them bow down, touching the cross and the inscription, first with their foreheads, then with their eyes; and, after kissing the cross, they move on."

### Knights Korner Council 11729

Our local council here at Holy Redeemer Church will begin the 2016-17 year with a total of 59 members. We have been challenged by the head office to add one member per month. For our group, this is a major challenge. However, for a parish which has grown to over 1300 families, we will try and meet this challenge.

To the men of the parish, I ask for your commitment to one meeting a month, we have one activity per month which might be a BBQ, a blood donor clinic, a parish hall dinner or a concert. As well, we are committed to our two parish schools and, of course, our church. Please contact Walter Heeney at 905-839-7253 or [theheeney@hotmail.com](mailto:theheeney@hotmail.com) for more information and begin the membership process.
