**JUNE IS  
 SENIORS' MONTH**  
 Did you know?

- There are 900 million persons in the world over the age of 60 and in Canada, there are more people over the age of 65 than children under the age of 15.
- Life expectancy has increased by 30 years over the past 100 years.
- Our potential for spiritual growth increases as we age.
- A new ministry is emerging in churches to support the faith development of "maturing adults" throughout the multiple transitions that mark the second half of life.
- The maturing adult (50+) population is comprised of three distinct groups: the pre-retired, the active retired, and the elders – each group having specific needs.
- Dealing with issues of loss is the central psychological and spiritual task of maturing years.
- Connection – with self, others, creation, and God - is our greatest asset in the aging process.

How might we support each other in the aging process?

How might our parish initiate and develop Ministry with Maturing Adults?
