In Step 3 of the Reopening plan, we have received information regarding the Sacramental Celebrations in the Church from the Archdiocese of Toronto:

"For sacramental celebrations, in Step 3, there is no capacity limit for places of worship. However, physical distancing of 2 metres (6 ft.) is still required between parishioners attending Mass who are not from the same household. Due to the physical distancing requirement, most churches will not realize any significant increase in capacity. Parishes with larger halls may be able to accommodate increased capacity as an overflow space should the parish have technology to livestream Mass to the hall."

With this in mind, we have made the decision to change our registration system to First Come First In, registrations are no longer required for the Masses at the parish. We will continue to monitor the situation however and should changes need to be made we will communicate with you.

We are reminded to continue exercising precaution when visiting the Church, if you are feeling unwell kindly refrain from coming to Church for the love of our neighbour. Please arrive early, at least 15 minutes before so the ushers can make sure everyone is at their place before the Mass begins.

Prayer in Time of COVID

Gracious God, you who are the author of all life, and who desire the well-being of all people, during these dark days of COVID-19, increase in us **respect and reverence** for all human life.

Grant **restored health** to the sick, **comfort and hope** to the dying, **eternal peace** for those who have died, **strength** to family members, relatives, clergy, friends and volunteers, **renewed energy** to hospital workers, PSWs, nurses and doctors, and **perseverance** to all in the health care professions.

Grant **wisdom** to scientists for the development of effective and moral vaccines, **discernment and right judgment** for legislators, **aid** to the discouraged, poor and vulnerable, **courage and justice** for front-line workers and all who risk their lives for the benefit of others, and keep always in our minds the vision of the true common good of all the world.

We ask this through Jesus Christ our Lord. Amen.

Knights of Columbus

March 10, 2021

To The Officers, Members and Families of HOLY REDEEMER Council 11729:

It is with a great sense of gratitude that I write on behalf of the Supreme Officers and members of the Board of Directors to extend greetings and best wishes to HOLY REDEEMER Council 11729 as you celebrate your 25th anniversary.

When Father Michael J. McGivney founded the Knights of Columbus in 1882, his hope was that Catholic laymen coming together in a common cause would strengthen the Church, promote and protect Catholic family life, and offer assistance to the less fortunate. Through such actions not only would the direct recipients of our charity benefit, but also the Order itself would grow stronger. Your council, and the thousands of others throughout North America, in Europe and Asia, all bear witness to the timelessness of Father McGivney’s vision. His vision is our mission, and it is needed now more than ever.

On this important anniversary, I encourage each one of you to rededicate yourselves and your families to the teachings of Jesus Christ and His Holy Catholic Church. May you always exemplify the Order’s principles of Charity, Unity, Fraternity and Patriotism held so dear by the Knights who chartered your council 25 years ago and sustained it ever since. Now the future is in your hands.

Be assured of my prayers for the continued growth and success of your council as you put our faith into action. May Our Lady of Guadalupe and the Venerable Servant of God Father Michael J. McGivney guide and bring success to all your endeavors.

With best wishes and regards, I am

Fraternaly,

Carl A. Anderson

The Ongoing Journey to Healing and Reconciliation – July 19, 2021

As Canadians reflect on how we can respond to the pain and suffering experienced by survivors of residential schools and their loved ones, the Archdiocese of Toronto is committed to being directly engaged in the ongoing journey of truth and reconciliation.

While the archdiocese did not operate residential schools, we have a responsibility to take genuine and meaningful steps to journey with Indigenous communities on the path to reconciliation, and to assist in healing the trauma experienced from the residential school system.

We are currently establishing working groups, each enriched by Indigenous voices, to help guide and support our efforts. To that end, the archdiocese has identified the following priorities:

- **Education** – initiatives to educate our clergy, staff and the faithful regarding the tragic legacy of residential schools and its continuing impact on Indigenous people, and to develop a greater understanding and appreciation of Indigenous spirituality.
- **Outreach and Spiritual Support** – initiatives to support survivors of residential schools and those suffering intergenerational trauma. These may include healing circles, personal or group counselling, workshops, speakers, listening sessions, opportunities for prayer, reconciliation services, and other spiritual supports.
- **Financial Support** – the Archdiocese of Toronto is developing a financial campaign to support ongoing healing and reconciliation efforts. A diverse working group will assist in formulating the campaign framework and related details in the weeks ahead. In response to those who have expressed a desire to contribute immediately, the Healing & Reconciliation fund has been established. Donations can be made [online](#), by phone (416) 934-3411 or through any Catholic church in the Archdiocese of Toronto.

We recognize the journey to reconciliation is one that will continue for years to come. As we reflect on the role of the Catholic Church in operating residential schools, we echo the words of the Missionary Oblates of Mary Immaculate in 1991:

“We apologize for the existence of the schools themselves, recognizing that the biggest abuse was not what happened in the schools, but that the schools themselves happened...We wish to apologize in a very particular way for the instances of physical and sexual abuse that occurred in those schools...Far from attempting to defend or rationalize these cases of abuse in any way, we wish to state publicly that we acknowledge they were inexcusable, intolerable and a betrayal of trust in one of its most serious forms. We deeply and very specifically, apologize to every victim of such abuse and we seek help in searching for means to bring about healing.”

We will continue to keep you updated as these initiatives develop. Additional information and resources can be found by visiting: www.archtoronto.org/residentialschools.

TOGETHER WE PRAY

“For the children who died in residential schools throughout Canada and for all those who continue on a journey through the darkness, that there may be healing founded on truth and that the Spirit will inspire our ongoing commitment to reconciliation.

God, through the presence and power of the Holy Spirit, continue to offer us correction so that your grace might change and transform us in our weakness and repentance.

Give us humility to listen when others reveal how we have failed and courage to love others as ourselves, mindful of your love for the weakest and most vulnerable among us. Amen.”
